APPEALING INTERIOR SCHEMES

Inspired by his travels around the globe, Eichholtz-founder and designer Theo Eichholtz is known for translating the specific charm of the places he visits into appealing interior schemes and alluring ambiances.

INSPIRED BY ALL CORNERS OF THE WORLD

Assisted by his dedicated design team, Theo creates furniture collections that capture the classic chic of French residences, the rustic romance of Canadian mountain houses, the refined oriental splendour of ancient Asian palaces and the sumptuous glamour of Hollywood mansions. Thus the Eichholtz collection offers you a variety of styles with influences from all corners of the world.

CRAFTED BY SKILLED ARTISANS

The majority of our furniture pieces, lighting and accessories are designed in-house. Everything we design in the Netherlands is manufactured in Asia and Eastern Europe, partly by factory production and partly by hand. Many of our accessories and accent pieces are crafted by skilled artisans, such as glassblowers and blacksmiths.

INVITING VENEER

Give your décor stately and timeless appeal with the stunning veneered Melchior Dining Tables. Danish teak furniture pieces from the 1950s that are still in perfect shape are crafted with veneer, which proves the quality and durability of well-made veneered furniture.

Veneer comprises thin slices of wood that are glued onto solid panels. Each slice features a distinctive type of grain, depending upon the tree species that is used. As the herringbone pattern of the brown Melchior Dining Table shows, veneers are also very suitable for marquetry.

The art of veneering dates back to ancient Egypt, where sarcophagi were manufactured with rare and costly wood veneers. High-quality veneer lasts longer than solid wood which warps or cracks over time. That’s why veneered work was also very popular in the Roman Empire.
