

LIGHTING

MADE IN ENGLAND

We are a luxury contemporary lighting company whose design grace the interiors of iconic landmarks across the world. Rich materials are meticulously crafted through several processes to achieve their refined quality. These statement lights produce a warm ambient glow which sets a mood of sophistication and elegance.

With a passion for British manufacturing, CTO believe in investing in artisans and the skills that can set them apart where quality and design are a top priority. The handmade nature of our products mean that each piece is unique.

There is a longevity to CTO Lights, the design and manufacturing process is never rushed, always considered and is timeless beyond trends.
