They saw and found in Porto’s downtown area, with all of its iconic buildings, architecture landmarks, unique art and design galleries, such as Serralves, and exquisite high craftsmanship culture, a brand-new scene of inspiration that make them feel like home.

LA DOLCE VITA COLLECTION

The new collection Dolce Vita designed by Carlo Donati Studio for Essential Home is inspired by the modernist architecture and design of the great masters of the Fifties and Sixties.

Palm Springs particularly is a mirage, defined by its modern, functional and aesthetic concepts. In the fifties and Sixties it became an unusual vacation place in the middle of the desert, a kind of Dolce Vita lifestyle for Hollywood stars like Elvis and Frank Sinatra.

This beautiful piece is a tribute to the great Federico Fellini, one of the best Italian film directors and screenwriters, known for his distinctive style, a mix of fantasy and baroque images with dreadfulness.
