Wood & Upholstery Resource Guide

America in Quality & Craftsmanship Since 1902
HW

If you're passionate about the "sit" of a chair, or the stance of a table, or the proportions of a piece... you're one of us. Just like you, we painstakingly analyze, devise, revise our decisions until they are just the right solution... filling a niche in our line and creating an inspiration for our customers.

Hickory White has been a subsidiary of the venerable **Sherrill Furniture Co.** since 1997, manufacturing case goods and occasional furniture for several divisions of Sherrill Furniture including Hickory White, Lillian August for Hickory White, CTH-Sherrill Occasional, and Mr. & Mrs. Howard for Sherrill Furniture.

Founded in 1944 and still a privately held family-owned business, Sherrill Furniture Co. and its divisions have been a leading supplier of fine home furnishings to Designers and major Furniture Stores throughout the U.S. and Canada.

860-21 Buffet

A photograph of a living room interior. In the foreground, two armchairs are visible: one is upholstered in brown leather, and the other is upholstered in a light-colored, textured fabric. They are positioned around a dark wooden table. On the table, there are two glasses of whiskey and a decanter. In the background, a dark green wall is adorned with several framed pieces of art, including a large illustration of a colorful bird. A large, leafy green plant is positioned to the right of the chairs. A lamp with a gold-colored base and a white shade is visible on the left side of the frame.
