VILLA TOSCANA

B E R N H A R D T

Villa Toscana combines the romance of traditional Italian styling with the rustic beauty of a highly distressed finish. Each piece feels like an antique shop discovery or found treasure with a timeworn, authentic character. Hints of Renaissance splendor appear in classical forms, from curvaceous serpentine lines and elaborate metal scrollwork to fancy face tops, exaggerated turned legs, ornate carved details and walnut inlays. Ornamental hardware takes shape in large decorative plates and pulls. Visible rifting, scratches and knots in the wood finish add an old-world sentiment and a slightly relaxed mood. The palette of muted, sun-baked taupe and soft ember is reminiscent of a centuries old Tuscan villa, with blackened metal accents similar to forged iron. Designed on a grand scale, the collection blends classic silhouettes with unexpected materials for a look with timeless appeal. Pieces fill a room with presence and warmth as if they've been there forever.
