LOGAN SQUARE

...furnishings that  
reflect lifestyle,  
attitude and  
individuality.

Inspired by urban living spaces, Bernhardt Loft is an evolving lifestyle brand featuring a range of casegoods and coordinating upholstery. The Logan Square collection is casually sophisticated, combining modern minimalism with a cool retro sentiment and 70s revival style. Architectural structure, open frames, asymmetrical compositions and clean lines combine with organic forms, natural rattan and raffia, textural details and distressed pine in a moody palette of Sable Brown and Cinder. Geometric, diamond and herringbone patterns highlight tonal contrasts and imperfections in the wood, while cast concrete and metals suggest a metropolitan cityscape. Upholstery is low profile in a selection of rich leathers. The look is hip and edgy, with sleek silhouettes, curving forms, tufted details and simple frames. Bernhardt Loft is casual in nature and smaller in scale, but stylish and luxe, with a fresh take on furnishings that reflect lifestyle, attitude and individuality.
