

The background of the entire page is a dark, charcoal-colored surface with a prominent, irregular grid pattern. The grid lines are raised and have a slightly rough, tactile appearance, creating a series of rectangular cells of varying sizes. The lighting is subtle, highlighting the texture of the grid.

FLOWDÉCOR

ABOUT US

FLOWDÉCOR

FlowDecor was founded in 2006. Our goal was to create a curated line of lighting that was always evolving. We focus on contemporary pieces with unique design. We skip the temporary fads and hope our quality pieces remain in people's homes for years to come.

With strong operational backgrounds and a love for home decorating, this husband & wife team thought they could improve upon some of the issues inherently found in this industry. We offer beautiful designs coupled with great value and outstanding customer service.

* Room photography graciously provided by our customers. See catalog for larger images and Designer and Photographer credits.
