OUTDOOR LIGHTING COLLECTION

VAUGHAN

OUTDOOR LIGHTING COLLECTION

Founded in London in 1983 by artist/designer couple Michael and Lucy Vaughan, the company is now one of the world's leading designers and manufacturers of decorative lighting. All Vaughan products are designed and engineered in-house using traditional authentic methods and the finest materials.

The Vaughan outdoor lighting collection showcases a broad range of decorative and functional wall lanterns, gate post lanterns and flush ceiling fixtures, all suitable for external use. All the outdoor lighting included in this brochure is IP44 rated suitable for use in sheltered outdoor locations.

Chartres Wall Lantern in Zinc

Chartres External Wall Lantern

Suitable for outdoor settings, the Chartres wall lantern has two lights and is available in two finishes, black and zinc. IP44 rated.

Valency Wall Lantern

Valency is based on a French 18th century design. Its timeless elegance makes it a popular piece. The scalloped fitting for the frosted glass funnel is a striking feature. Engineered for use outdoors, it also works in internal settings. The Valency is available in two sizes and three finishes, black, bronze and zinc. IP44 rated.
