

CORSICA

HOOKER®  
— FURNITURE —

*Like the Mediterranean island for which it is named, Corsica is a melting pot of timeless design influences with a sun washed ambience and a casual attitude. Gracefully shaped architectural forms of Italian, French and Belgian origin are accentuated by a wire brushed artisan finish with a reclaimed character.*

*Both the light natural and dark espresso finishes are on exotic and beautiful Acacia wood, known for its rustic charm, tactile hand, knots and color variations in serene organic hues of gray, rose and natural. The dark and light finishes can be effortlessly mixed within a room for an eclectic feel. Corsica the island is rural and laid-back, but also historic, romantic and stylish. Corsica the collection reflects that lifestyle in an eclectic ensemble of bedroom, dining and office pieces that could have been gathered from a Parisian brownstone, a Belgian farmhouse, European cottage or grand Italian Palazzo. From the coast to the heartland to the city, Corsica provides livable elegance that is casual yet timeless.*

# Design Elements

## Design

The Corsica story is told through table bases reminiscent of Romanesque architecture with a Gothic flair; graceful lines on sculpted front panels, intricately hand-carved aprons and beautifully shaped cases.

## Finish

A wire-brushed, artisan finish with a reclaimed character defines the Corsica collection. Both the light natural and dark espresso finishes are on exotic and beautiful Acacia wood, known for its rustic charm, tactile hand, knots and color variations in serene organic hues of gray, rose and natural.

## Hardware

Corsica's custom-designed, burnished bronze hardware includes a classic swing bail pull, a drop bail with a unique stylized heart shape, a simple knob and a key inspired by an antique latch key.

## Fabric

## Quality from start to finish

Of all the aspects of wood furniture, the finish most visibly reflects its character, quality and style. While the finish is one of the last things we do, it's the first thing you see. That's why at Hooker, we utilize a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes "feel" as good as they look, with a smoothness that is delightful to the touch.

## Wood & Veneer Construction

Many of our furniture items are constructed of hardwood solids and veneers or hand-painted finishes over durable wood products such as medium density fiberboard (MDF) and particle board. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture. Due to a wide variety of wood species and decorative designs used in our furniture styles, variations in construction are possible.

## Drawer Construction & Operation

- Full height, full depth and full width drawers for maximum storage capacity.
- All drawers have strong, time-tested English or French dovetail construction, for years of problem-free use.
- Plywood drawer bottoms are attached to plywood drawer sides for strength and durability.
- Our top-of-the-line bedroom collections include bottom drawers on major case pieces that are cedar-lined for the aromatic benefit and preservation of clothing.
- Some night stands offer receptacles on the back of case.

# DINING

Create a casual, eclectic and engaging dining experience for family and friends with Corsica's dining tables and chic upholstered dining chairs. Architectural, sculpted pedestals are featured on both the 54-inch round and the 78-inch rectangular table. Each table is available in the light natural or dark espresso finish. For an eclectic approach, the tables are also offered in a two-tone finish by contrasting the light and dark finish on the table top and base. The ellipse-back dining chair and squared-back chair with nail head trim are also available in either the dark or light finish to mix and match with the table finish you select. The 72-inch credenza is offered in the light, dark or two-tone finish. The leg server and display cabinets are each available in the light or dark finish.

Headquartered in Martinsville, Va., Hooker Furniture employs approximately 600 people at our Virginia and North Carolina locations. Our high-fashion custom upholstery by Sam Moore Furniture is manufactured in Bedford, Va., and our upscale leather upholstery line is manufactured in Hickory, N.C. by Bradington-Young. Hooker also imports an extensive line of wood and metal furniture from factories around the world, including Asia, Mexico and Central America. The design of these imported furnishings is carefully overseen by Hooker in compliance with our high quality standards.

We strive to provide an accurate representation of our finishes but due to changes in lighting and printing limitations, some color variation is possible. To determine the exact color of a finish, we suggest you visit a Hooker Furniture Retailer to see the actual product.
